

# MEDIVISION LABS — CONFIDENTIAL RESEARCH BRIEF

Project: Low-cost detection of diabetic retinopathy on edge devices

Sponsor: Dr. Anita Rao (MediVision Labs)

Dataset Reference: /data/medivision/fundus\_raw\_v2.tar.gz

Hardware Constraint: ARM Cortex-A53 edge deployment (<15MB RAM)

## 1. Objective:

Train a lightweight CNN architecture to classify fundus images with 92%+ sensitivity.

## 2. Confidentiality Terms:

All dataset paths and patient fundus image features are STRICTLY CONFIDENTIAL.
